[WARNING: EXTERNAL SENDER]

Dear Mr. Henkin:

The SEC intends to oppose a request for a stay of the Court's February 17, 2022 order granting our subpoena enforcement application. We also do not presently intend to join in the scheduling request detailed in your February 21, 2022 email.

Best regards,

Dear Mr. Connor,

I write in connection with the above-captioned case. In connection with their appeal of Judge Oetken's decision, TFL and Mr. Kwon plan to seek expedited treatment of that appeal. We intend to propose the following briefing schedule to the Second Circuit, and would like to know whether the SEC would join in that request:

Appellants' Opening Brief Due: March 15, 2022
Appellee's Opposition Brief Due: March 29, 2022
Appellants' Reply Brief Due: April 5, 2022

Please let us know by 12pm on February 23, 2022 whether the SEC would join that scheduling request. In addition, please let us know whether, in light of that proposed schedule, the SEC still intends to oppose TFL's and Mr. Kwon's request for a stay pending appeal.

Best regards,

Doug Henkin
